Portfolio

Education

National Institute of Technology, Agartala

2024 – 2028

Bachelor of Technology in Electronics and Instrumentation Engineering

Jawahar Navodaya Vidyalaya, Khowai

2022 – 2023

Senior Secondary (XII)

Percentage: 86%

Jawahar Navodaya Vidyalaya, Khowai

2020 – 2021

Secondary (X)

Percentage: 89.2%

Experience

Mechatronics & Automation Trainee

May 2026 – June 2026

Siemens Scholarship Program – Batch XII

- Completed a 21-day hands-on training in mechatronics and industrial automation, gaining practical exposure to real-world industrial systems.
- Developed practical skills in PLC programming, logic building, and industrial automation systems.
- Explored pneumatic systems and their applications in industrial processes.
- Strengthened understanding of electronic systems and practiced troubleshooting techniques for industrial processes.

Core Member, TRIAC Club

National Institute of Technology, Agartala

- Collaborated with team members to organize the TRIAC Exhibition, showcasing students' creativity, technical skills, and innovative projects.

Siemens Scholarship Program Scholar

Siemens Scholarship Program

- Gained industrial exposure through a visit to a switchgear manufacturing facility.
- Received hands-on training in Siemens NX and PartQuest software.
- Completed communication skills training focused on professional interaction and workplace communication.

Projects

Function Generator

555 Timer IC

- Designed and developed a function generator capable of producing square, sine, and triangular waveforms.
- Utilized a 555 timer in astable mode for square-wave generation.
- Implemented waveform-shaping circuitry to generate sine and triangular outputs.

Certifications

Google Data Analytics Professional Certificate

Coursera

- Developed practical skills in data cleaning, data analysis, data visualization, and communicating data-driven insights.
- Gained hands-on experience with spreadsheets, SQL, Python, Tableau, and structured data analysis workflows.

Siemens Mechatronic Systems Certification Program (SMSCP)

2026

Siemens Scholarship Program

Technical Skills

Programming Languages: C++, C, Python

Data Analytics: SQL, Excel, Data Cleaning, Data Analysis, Data Visualization

Data Visualization: Tableau

Electronics & Automation: PLC Programming, Industrial Automation, Sensors, Actuators, Pneumatics, Mechatronics, Arduino

Web Technologies: HTML, CSS

Tools: GitHub, VS Code, Arduino IDE, Siemens NX, PartQuest

Involvement

National Cadet Corps (NCC)

13th Tripura Battalion NCC

- NCC 'A' Certificate holder.
- Attended Combined Annual Training Camp (CATC) of 13th Tripura Battalion NCC in 2019.
